

*Have you ever wondered what it would be like to be a firefighter?*

*Are you interested in possibly learning more about the Emergency Services?*

On June 16 & 17 of 2017 the New Kingstown Fire Company will sponsor the 7th annual W.A.C.K.E.R.S. (**We Are Committed Kids to Emergency Rescue Services**) Weekend. This program enables 20 area children from the ages of 11 to 13, to experience firefighting first hand. Each participant will be issued safety equipment, uniforms and an accountability tag for use during this weekend. Chosen applicants will arrive Friday morning June 16<sup>th</sup> and stay at the firehouse until Saturday, June 17<sup>th</sup>. They will learn first hand how to use firefighting and rescue equipment; much of the weekend is hands on exercises. Highlights from this years fun filled weekend include: **vehicle rescue, a visit from an air-medical service, confined space rescue and many more awesome activities!** At the end of the weekend, awards will be given out to everyone. This is an excellent opportunity for many children in our community to experience what it is like to be a firefighter or officer in a local fire company.
